Commencement

Tickets will be required for all guests aged 2 and older for 2018 Autumn Commencement. Graduates do not require a ticket and those under 2 will be admitted without a ticket as long as they are seated on a parent/guardian's lap. All guest tickets must be printed on paper and will be scanned for entry into the Schottenstein Center. Instructions on how to print your tickets will be sent in early December. All seating for Autumn Commencement is General Admission. Each graduate may request up to four (4) tickets. To ensure that all graduates can secure tickets for their guests, please only request the quantity of tickets you need below!

The university does not condone buying and selling commencement tickets. Each ticket printed at home will contain a unique identifier that is traceable to the student who requested the ticket and can be scanned only once. Tickets containing the same bar code will not be granted access to the Schottenstein Center. Any attempt to sell or make copies of electronic tickets will be considered misuse of Ohio State property and may be considered a violation of the Code of Student Conduct.
