THE OHIO STATE UNIVERSITY
MAY 4, 2025

Pomp, circumstance, and other songs of a lifetime

—by Professor David Citino, 1947–2005, Late University Poet Laureate
(Originally presented as the 2000 Winter Commencement address)

If you're like me, you've got a big head, not to mention a funny robe, full of music—poems and melodies, the tunes we move to, shower and shave by, study, write to. Not just the incidental,

but the momentous music keeping time. Our histories are measures of song. Listen to your heart: drums of Africa, sea-spume of blind, far-sighted Homer, Sappho's honeyed love lyrics. Often,

music speaks for us, one note saying a thousand words. Like Rodolpho in Puccini's *La Boheme*, Sono un poeta. I am a poet. Che cosa faccio? What do I do? Scrivo. I write. This ceremony

is loud music—pomp and circumstance of the life you began freshman year or that first day of graduate school. In my head I press Play, and the CD of Big Days kicks on. I leap and linger

over moments too sweet, nearly, for words. I'll never escape rhymes from the nursery. Up above the world so high, like a diamond in the sky. We knew from the start our universe was aglow with wonder.

Italian, Latin, English songs in nasal accents of Cleveland. *Gaudemus igitur*, Juvenes dum sumus. So, let us rejoice, while we are young. Youth is that gift we can't comprehend while we're young. This ceremony

means you all are less young than you were. Don't let the heavy knowledge gained from your studies deprive you of the gifts of youth, to be able to rejoice at the drop of a hat, to care for, be moved by others.

Now I hear golden hits of five decades. Big Mama Thornton, and that so-called King (King of what, fried butter sandwiches?) who stole away her hound dog. You ain't never killed a rabbit, you ain't no friend

of mine. As with those profs and TAs, course after course, you had to produce—kill some rabbits—to earn respect. And at times OSU may have seemed like Heartbreak Hotel, down at the end

of Lonely Street, so difficult was it to do your best. Tennessee Ernie Ford, "Sixteen Tons": St. Peter don't you call me 'Cause I can't go. I owe my soul to the company store.

You have been digging deep in mines of knowledge. We all owe our souls to Ohio State, company store of learning, shared experience—precious ore we have in common forever.

Now I hear Domenico Modugno's fervent urging to wish, sing, fly, *Volare*, Wo-oo. Cantare, Wo-o-o-o. My grandfather was a peasant farmer, a contadino in Calabria in the toe

of Italy. He knew it's the human lot to dream of flying. Lucky, lucky, lucky me, I'm a lucky son-of-a-gun. I work eight hours, I sleep eight hours, That leaves eight hours for fun.

Hey! He sailed in steerage across the Atlantic, came to Cleveland, where he stayed long enough to work 52 years for the B&O Railroad, before lying down to rest in good Ohio soil. So many of us

here today came from elsewhere, or ancestors did. From Tennessee, Italy, Africa, Asia, Appalachia—even, President Kirwan, the wilds of Kentucky and Maryland. Women and men with backs

supple as birch trunks. The courage it took to pick up stakes and begin again in a new world! Think of the work those older ones did. For you. You all are facing a change right now.

This sheepskin is your passport. You're bound for emigration to the next song of your life. Ohio State is the ark on which you've been sailing. You've been the precious cargo.

But, as Noah once said, I can see clearly now the rain is gone. The ark, our university, was filled to overflowing with the diversity of us. Diversity. Networks and talk shows devalue the word.

Graduates and guests led by
Samantha M. Sayar

Oh! Come let's sing Ohio's praise,
And songs to Alma Mater raise;
While our hearts rebounding thrill,
With joy which death alone can still.
Summer's heat or winter's cold,
The seasons pass, the years will roll;
Time and change will surely show
How firm thy friendship—O-hi-o!

Recipients of Honors

Atul Gawande

DOCTOR OF SCIENCE

Dr. Atul Gawande is a renowned surgeon, author and public health leader who has become one of the country's most influential health care researchers and innovators. He led the development of a now-globally adopted team checklist for surgery that reduced deaths by more than one-third and other systems innovations that have improved global childbirth outcomes and care at the end of life. He was Assistant Administrator for Global Health at the U.S. Agency for International Development from January 2022 to January 2025. He was previously a practicing general and endocrine surgeon at Brigham and Women's Hospital and a professor at Harvard Medical School and the Harvard T.H. Chan School of Public Health. Dr. Gawande co-founded and chaired Ariadne Labs, a joint center for

health systems innovation, and Lifebox, a nonprofit organization making surgery safer globally. From 2018 to 2020, he was CEO of Haven, the Amazon, Berkshire Hathaway and JPMorgan Chase health care venture.

Born in Brooklyn, New York, Dr. Gawande was raised in Athens, Ohio, where his parents were local physicians. After graduating from Athens High School, he attended Stanford University and received a B.A.S. in 1987. He received an MA from Oxford University, where he was a Rhodes Scholar, an MD from Harvard Medical School, and an MPH from the Harvard School of Public Health.

Dr. Gawande is also a longtime staff writer for *The New Yorker* magazine, and has written four *New York Times* best-selling books:

Complications, *Better*, *The Checklist Manifesto*, and *Being Mortal*. The latter has proven to be a valuable contribution to the growing literature on aging, death and dying, and is a call for change in the philosophy of health care. With his writings, Dr. Gawande has become a uniquely sensitive and powerful voice for surgery and medicine in general.

He was also executive producer for the Emmy-nominated documentary film adaptation of *Being Mortal* (2016) and for the Oscar-nominated documentary film *To Kill a Tiger* (2024).

Dr. Gawande has multiple awards to his credit, including a MacArthur Fellowship in 2006, the Lewis Thomas Prize for science writing, the Massachusetts Governor's Award in the Humanities, and multiple honorary degrees.

Recipients of Honors

William B. Farrar

DISTINGUISHED SERVICE AWARD

Dr. William B. Farrar dedicated nearly five decades to The Ohio State University Comprehensive Cancer Center – Arthur G. James Cancer Hospital and Richard J. Solove Research Institute (OSUCCC – James) as a surgical oncologist, cancer researcher and medical administrator, helping elevate the cancer program to an internationally recognized institution.

During his tenure, Dr. Farrar served as Director of the Division of Surgical Oncology for 28 years and established the Stefanie Spielman Comprehensive Breast Center, the first free-standing, multi-disciplinary breast center at OSUCCC – James. He was appointed interim CEO of the James Cancer Hospital and Solove Research Institute in 2017 and assumed the permanent role in 2019, serving until his retirement

in May 2022. Over his career, he performed more than 20,000 cancer operations, treating nearly every type of cancer except brain cancer.

In that time, Dr. Farrar led the oncology fellowship program at Ohio State and The James, training more than 71 fellows who have since become leaders in the field.

On a national level, Dr. Farrar served as President of the U.S. National Committee for the International Union Against Cancer and as Principal Investigator for the National Surgical Adjuvant Breast and Bowel Project Clinical Trial group at Ohio State. He also contributed to numerous national committees, including the Training Directions Committee for the Society of Surgical Oncology, the Joint Council for Advanced Training in Head and Neck Oncology Surgery,

the American College of Surgeons Committee on Cancer, and the American Association of Clinical Endocrinologists.

Beyond his professional contributions, Dr. Farrar has been a steadfast supporter of The James, building strong relationships with donors, board members, and colleagues and inspiring others to join his efforts. Even in retirement, he continues to serve on The OSUCCC – James Foundation Board, contributing his experience and expertise.

Dr. Farrar earned his bachelor's degree from Illinois Wesleyan University and his MD from the University of Virginia. He and his wife of fifty years, Kathryn, have four children and seven grandchildren.

Elizabeth B. Germain and Richard B. Germain

Mrs. Germain actively supports The Ohio State University in a variety of ways. She currently serves as a director on The Ohio State University Foundation Board and has served as a member of The James Foundation Board since 2015. Beyond her involvement with Ohio State, she serves as Board Chair for the Nationwide Children's Hospital Foundation, among other community activities.

Mr. Germain spent his career experiencing progressive growth in the automotive industry. He is the owner of Germain Automotive Partnership, which currently operates 17 locations with 1,300

employees across Ohio, Florida and Michigan. He serves as a board member of Recreation Unlimited. Under his leadership, Germain Automotive formed a Pelotonia team that will celebrate its 10th year in 2025.

A high philanthropic priority for the Germains has been supporting Ohio State's efforts to recruit and retain top physicians. They contributed generously to the Cancer Strategic Support Fund, allowing The James to embark upon a bold recruiting process to attract top talent. The Germains also supported the Cellular Therapy and Cancer Immunology Program, a collaboration with Nationwide Children's Hospital.

The Germains have devoted significant time and resources to the Office of Student Life and the development of an exceptional student experience. Mrs. Germain is particularly interested in programs

that foster student leadership, such as BuckeyeThon, Ohio State's largest student-run philanthropy. Mrs. Germain mentors students, helps them fundraise, and supports events to benefit patients at Nationwide Children's Hospital.

As passionate supporters of Ohio State Athletics, the Germains have made leadership gifts to scholarships, the football program, Olympic sports, and contributed to the creation of first-class facilities for Buckeye student-athletes. They are also strong advocates for students involved in the Brutus Buckeye mascot program.

Mrs. Germain is an alumna of The Ohio State University, while Mr. Germain graduated from the University of Denver. The couple have four children and 11 grandchildren. They reside in Columbus, Ohio, but enjoy spending time in Naples, Florida, and at their farm in Knox County.

The Academic Costume

The colorful ceremonies of The Ohio State University commencements derive from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings called for caps and floor-length capes with attached hoods, and the sobering influence of the church probably resulted in the staid character of the caps and gowns.

As the control of the universities gradually passed from the church,

some aspects of the costumes took on brighter hues. Old prints and engravings, however, reveal a strong similarity between the regalia worn in early universities and that of the present day.

In light of our nation's English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity in regard to the practice, an intercollegiate commission was formed to prepare a code for caps, gowns and hoods that has since been adopted by all academic institutions.

Originally round, the shape of the cap is now the familiar mortarboard

square — a shape that, according to ballad folklore, resembles a scholar's book. Legend also has it that the privilege of wearing a cap was the initial right of a freed Roman slave; the academic cap, therefore, has become a sign of the freedom of scholarship. The flowing gown has become symbolic of the democracy of scholarship, for it covers any dress that might indicate rank or social status. The hood, reserved at The Ohio State University for those receiving doctoral and master's degrees, not only indicates the type of degree, but also is lined with the official colors of the university.

The Gown

Bachelor: The bachelor gown is black, full-cut with long pointed sleeves.

Master: The master gown is black, long or short sleeves, with an arc-shaped panel extended for each sleeve.

Doctor: The Ohio State University Doctor of Philosophy, Doctor of Nursing Education, Doctor of Musical Arts, and Doctor of Nursing Practice gown is scarlet with gray velvet panels on the front and three velvet bars on each sleeve. Other doctor gowns are black with velvet panels and bars, the color of which is distinctive of the field of study.

Honors Emblem

The Ohio State University honors emblem is a scarlet and gray tasseled braid (honor cord) worn over the gown. Students eligible for this curricular honor are those graduating *summa cum laude*, *magna cum laude*, and *cum laude*. At the discretion of their college, students graduating with distinction or with honors may also be eligible.

The Hood

Bachelor: Three feet long with a two-inch-wide velvet edging.*

Master: Three and one-half feet long with a three-inch-wide velvet edging.

Doctor: Four feet in length with a five-inch-wide velvet edging and panel at the sides.

The lining of all hoods, which is folded out, bears the official colors of the institution granting the degree. The color of the velvet indicates the field of study.

* Not usually worn by candidates for a degree.

Cap and Tassel

Candidates for degrees at The Ohio State University wear the black mortarboard with a tassel whose color is distinctive of the degree being received. The tassel colors are as follows:

Inclement Weather

In the case of inclement weather, every effort will be made to hold commencement as planned. Commencement will take place in Ohio Stadium, unless weather conditions are dangerous or severe, in which case the ceremony will be canceled. No indoor facility on campus can accommodate the graduating class and their guests.

On commencement day, Ohio State officials will be in continuous contact with the National Weather Service to monitor approaching weather. If it is feasible to delay the start of the ceremony and wait for clearing or less severe weather, the start of the ceremony may be delayed up to one hour. Should this happen, any changes will be announced on-site to graduates and guests. Graduates will remain in the assembly locations; guests are asked to remain in protected areas of Ohio Stadium. Your patience and cooperation will help facilitate this plan.

In case of cancellation

If it is determined that severe weather will not permit us to hold commencement, the ceremony will be canceled. Once cancellation has been announced, graduates should report to the locations below one hour after cancellation to receive their diplomas.

It is strongly advised that graduates and guests prearrange a meeting place in case the ceremony is canceled. Guests should not go to French Field House or RPAC where most diplomas will be distributed to graduates. St. John Arena and various locations on West Lane Avenue are some suggested meeting sites.

Diplomas will remain in the following locations until 4 p.m. on commencement day. Diplomas not picked up by 4 p.m. will be taken to Buckeye Link on the first floor of the Student Academic Services (SAS) building, 281 West Lane Avenue. Diplomas will be available for pickup there between 9 a.m. and 4 p.m., May 5–9. If a graduate's diploma remains unclaimed after 12:00 p.m. on May 9, it will be mailed to the permanent address on record within two to four weeks of commencement. Graduates can verify/change their mailing addresses by navigating to the Buckeye Link website at buckeyelink.osu.edu. Click on "My Student Center," then scroll down to the "Personal Information" section to view the address. Click on the "Permanent Address" hyperlink if there is a need to edit it.

Pomp, circumstance, and other songs of a lifetime

(continued from inside front cover)

I say, rather, the richness of us,
precious difference, the grand multiplicity
of selves that balance this globe
and enable it to spin true. Grandson
of peasant immigrants, I was given

the opportunity to earn a doctorate
in English literature from Ohio State—
because my family labored long nights
around the kitchen table trying to learn
this arduous English. I sat where

you're sitting twenty-six years ago.
Bob Dylan and Smokey Robinson got me
through. Yes, it took a prophet and Miracles.
My son earned an OSU Ph.D. in history.
Now you, graduates, are being honored—

by degrees. We've all come together
around the kitchen table of Ohio State.
Ohio, Round on the ends and high
in the middle. For the years to come
we'll sing together, Beautiful Ohio,

in dreams again I see, Visions of what
used to be. These psalms, sacred thoughts
of our tribes, 78's and 33's, tapes,
CD's—they take up space in shelves
of our skulls, our hearts. They remind us

we want a song beyond the run-
of-the-mill thrill, the moment throbbing
with pleasure or bathed in the blues.
We ache for something grander than
pure selfishness. Songs sung for one

alone are not true music. Arias shared
are music of the spheres, ways of saying
to another something from the soul.
Of course the Buckeye Battle Cry
is there. Drive, drive on down the field,

Men (and women!) of the Scarlet
and Gray. Well, you drove on down
the field, and you drove up and down
the streets, around and around
crowded lots, looking for a place to park,

and you searched our dark, ancient library
for a decent place to study. My wife,
Mary's, father marched in the first
"Script Ohio," in 1936. He's here today
with us, blowing his horn, I can't help

but feel, as is the sweet mother
I lost last year, the one who gave me
the stars. Today's music makes us think
of the debts we owe, and never can repay.
So many of us would not be here

were it not for the lullabies and songs
of dear parents, their parents, theirs.
Some are here today in the flesh.
Many are not. We mourn them with cadences
of our hearts. Think how many people

sang before us, gave us a name, a voice,
taught us the right words. We must
cherish them by remembering every song.
When we sing to others, we honor
our fathers and mothers, thank them

for this day of profound scarlet and gray
pomp and circumstance. O, come
let's sing Ohio's praise, And songs
to Alma Mater raise. Alma mater.
Ohio State is our sweet, nurturing mother.

We came of age here, with her help.
Well, Mother, we love you, but, like,
it's time we moved out, got a place
of our own. You're standing there,
Mom, gray hair, eyes scarlet

from crying. We won't forget you.
Now, even though this ceremony
means we're being weaned, taken off
the nipple, let's take care to cherish her
all our days. Let's remember

the words to the songs she taught us,
and pass them on. We'll remember
always, Graduation Day. Summer's heat,
and winter's cold, The seasons pass,
the years will roll, Time and change

will surely show How firm thy friendship,
O-hi-O. We call that little number
Carmen Ohio. Carmen means song
in Latin. You've worked hard; she
is your reward; today is your reward.

You're filled to overflowing with
the notes, the poems we've written
together. You know the score.
Continue to work hard for yourselves,
and one another. Find the ones who need

you to sing to, for them, in the world.
Graduates, this joyful litany, this hymn
our ancestors collaborated on with us,
the calling of your name today is music
to our ears. Sing that name proudly

all your days, as if your life depended
on it. It does, you know. It has been
an honor for me to speak—and sing—
to you today. Thank you, graduates,
and, again, Congratulations.
