The Ohio State University  
May 10, 2026

# Pomp, circumstance, and other songs of a lifetime

—by Professor David Citino, 1947–2005, Late University Poet Laureate  
(Originally presented as the 2000 Winter Commencement address)

If you're like me, you've got a big head,  
not to mention a funny robe, full of music—  
poems and melodies, the tunes  
we move to, shower and shave by,  
study, write to. Not just the incidental,

but the momentous music keeping time.  
Our histories are measures of song.  
Listen to your heart: drums of Africa,  
sea-spume of blind, far-sighted Homer,  
Sappho's honeyed love lyrics. Often,

music speaks for us, one note saying  
a thousand words. Like Rodolpho  
in Puccini's La Boheme, Sono un poeta.  
I am a poet. Che cosa faccio? What  
do I do? Scrivo. I write. This ceremony

is loud music—pomp and circumstance  
of the life you began freshman year  
or that first day of graduate school.  
In my head I press Play, and the CD  
of Big Days kicks on. I leap and linger

over moments too sweet, nearly, for words.  
I'll never escape rhymes from the nursery.  
Up above the world so high, like a diamond  
in the sky. We knew from the start  
our universe was aglow with wonder.

Italian, Latin, English songs in nasal accents  
of Cleveland. Gaudeamus igitur, Juvenes  
dum sumus. So, let us rejoice, while  
we are young. Youth is that gift we can't  
comprehend while we're young. This ceremony

means you all are less young than you were.  
Don't let the heavy knowledge gained  
from your studies deprive you of the gifts  
of youth, to be able to rejoice at the drop  
of a hat, to care for, be moved by others.

Now I hear golden hits of five decades.  
Big Mama Thornton, and that so-called King  
(King of what, fried butter sandwiches?)  
who stole away her hound dog. You ain't  
never killed a rabbit, you ain't no friend

of mine. As with those profs and TAs,  
course after course, you had to produce—  
kill some rabbits—to earn respect.  
And at times OSU may have seemed  
like Heartbreak Hotel, down at the end

of Lonely Street, so difficult was it  
to do your best. Tennessee Ernie Ford,  
"Sixteen Tons": St. Peter don't you  
call me 'Cause I can't go. I owe  
my soul to the company store.

You have been digging deep in mines  
of knowledge. We all owe our souls  
to Ohio State, company store of learning,  
shared experience—precious ore  
we have in common forever.

Now I hear Domenico Modugno's  
fervent urging to wish, sing, fly,  
Volare, Wo-oo. Cantare, Wo-o-o-o.  
My grandfather was a peasant farmer,  
a contadino in Calabria in the toe

of Italy. He knew it's the human lot  
to dream of flying. Lucky, lucky,  
lucky me, I'm a lucky son-of-a-gun.  
I work eight hours, I sleep eight hours,  
That leaves eight hours for fun.

Hey! He sailed in steerage across  
the Atlantic, came to Cleveland, where  
he stayed long enough to work 52 years  
for the B&O Railroad, before lying down  
to rest in good Ohio soil. So many of us

here today came from elsewhere,  
or ancestors did. From Tennessee, Italy,  
Africa, Asia, Appalachia—even,  
President Kirwan, the wilds of Kentucky  
and Maryland. Women and men with backs

supple as birch trunks. The courage  
it took to pick up stakes and begin again  
in a new world! Think of the work  
those older ones did. For you. You all  
are facing a change right now.

This sheepskin is your passport.  
You're bound for emigration to  
the next song of your life. Ohio State  
is the ark on which you've been sailing.  
You've been the precious cargo.

But, as Noah once said, I can see  
clearly now the rain is gone. The ark,  
our university, was filled to overflowing  
with the diversity of us. Diversity.  
Networks and talk shows devalue the word.

# The Academic Costume

The colorful ceremonies of The Ohio State University commencements derive from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings called for caps and floor-length capes with attached hoods, and the sobering influence of the church probably resulted in the staid character of the caps and gowns.

As the control of the universities gradually passed from the church,

some aspects of the costumes took on brighter hues. Old prints and engravings, however, reveal a strong similarity between the regalia worn in early universities and that of the present day.

In light of our nation's English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity in regard to the practice, an intercollegiate commission was formed to prepare a code for caps, gowns and hoods that has since been adopted by all academic institutions.

Originally round, the shape of the cap is now the familiar mortarboard square

— a shape that, according to ballad folklore, resembles a scholar's book. Legend also has it that the privilege of wearing a cap was the initial right of a freed Roman slave; the academic cap, therefore, has become a sign of the freedom of scholarship. The flowing gown has become symbolic of the democracy of scholarship, for it covers any dress that might indicate rank or social status. The hood, reserved at The Ohio State University for those receiving doctoral and master's degrees, not only indicates the type of degree, but also is lined with the official colors of the university.

## The Gown

**Bachelor:** The bachelor gown is black, full-cut with long pointed sleeves.

**Master:** The master gown is black, long or short sleeves, with an arc-shaped panel extended for each sleeve.

**Doctor:** The Ohio State University Doctor of Philosophy, Doctor of Education, Doctor of Musical Arts, Doctor of Nursing Education and Doctor of Nursing Practice gown is scarlet with gray velvet panels on the front and three velvet bars on each sleeve. Other doctor gowns are black with velvet panels and bars, the color of which is distinctive of the field of study.

## Honors Emblem

The Ohio State University honors emblem is a scarlet and gray tasseled braid (honor cord) worn over the gown. Students eligible for this curricular honor are those graduating summa cum laude, magna cum laude, and cum laude. At the discretion of their college, students graduating with distinction or with honors may also be eligible.

## The Hood

**Bachelor:** Three feet long with a two-inch-wide velvet edging.\*

**Master:** Three and one-half feet long with a three-inch-wide velvet edging.

**Doctor:** Four feet in length with a five-inch-wide velvet edging and panel at the sides.

The lining of all hoods, which is folded out, bears the official colors of the institution granting the degree. The color of the velvet indicates the field of study.

\* Not usually worn by candidates for a degree.

## Cap and Tassel

Candidates for degrees at The Ohio State University wear the black mortarboard with a tassel whose color is distinctive of the degree being received. The tassel colors are as follows:

# **Inclement Weather**

*In the case of inclement weather, every effort will be made to hold commencement as planned. Commencement will take place in Ohio Stadium, unless weather conditions are dangerous or severe, in which case the ceremony will be canceled. No indoor facility on campus can accommodate the graduating class and their guests.*

On commencement day, Ohio State officials will be in continuous contact with the National Weather Service to monitor approaching weather. If it is feasible to delay the start of the ceremony and wait for clearing or less severe weather, the start of the ceremony may be delayed up to one hour. Should this happen, any changes will be announced on-site to graduates and guests. Graduates will remain in the assembly locations; guests are asked to remain in protected areas of Ohio Stadium. Your patience and cooperation will help facilitate this plan.

## **In case of cancellation**

If it is determined that severe weather will not permit us to hold commencement, the ceremony will be canceled. Once cancellation has been announced, graduates should report to the locations below one hour after cancellation to receive their diplomas.

It is strongly advised that graduates and guests prearrange a meeting place in case the ceremony is canceled. Guests should not go to French Field House or RPAC where most diplomas will be distributed to graduates. St. John Arena and various locations on West Lane Avenue are some suggested meeting sites.

Diplomas will remain in the following locations until 4 p.m. on commencement day. Diplomas not picked up by 4 p.m. will be taken to Buckeye Link on the first floor of the Student Academic Services (SAS) building, 281 West Lane Avenue. Diplomas will be available for pickup there between 9 a.m. and 4 p.m., May 11-15. If a graduate's diploma remains unclaimed after 12:00 p.m. on May 15, it will be mailed to the permanent address on record within two to four weeks of commencement. Graduates can verify/change their mailing addresses by navigating to the Buckeye Link website at [buckeyelink.osu.edu](http://buckeyelink.osu.edu). Click on "My Student Center," then scroll down to the "Personal Information" section to view the address. Click on the "Permanent Address" hyperlink if there is a need to edit it.

## Pomp, circumstance, and other songs of a lifetime

(continued from inside front cover)

I say, rather, the richness of us,  
precious difference, the grand multiplicity  
of selves that balance this globe  
and enable it to spin true. Grandson  
of peasant immigrants, I was given

the opportunity to earn a doctorate  
in English literature from Ohio State—  
because my family labored long nights  
around the kitchen table trying to learn  
this arduous English. I sat where

you're sitting twenty-six years ago.  
Bob Dylan and Smokey Robinson got me  
through. Yes, it took a prophet and Miracles!  
My son earned an OSU Ph.D. in history.  
Now you, graduates, are being honored—

by degrees. We've all come together  
around the kitchen table of Ohio State.  
Ohio, Round on the ends and high  
in the middle. For the years to come  
we'll sing together, Beautiful Ohio,

in dreams again I see, Visions of what  
used to be. These psalms, sacred thoughts  
of our tribes, 78's and 33's, tapes,  
CD's—they take up space in shelves  
of our skulls, our hearts. They remind us

we want a song beyond the run-  
of-the-mill thrill, the moment throbbing  
with pleasure or bathed in the blues.  
We ache for something grander than  
pure selfishness. Songs sung for one

alone are not true music. Arias shared  
are music of the spheres, ways of saying  
to another something from the soul.  
Of course the Buckeye Battle Cry  
is there. Drive, drive on down the field,

Men (and women!) of the Scarlet  
and Gray. Well, you drove on down  
the field, and you drove up and down  
the streets, around and around  
crowded lots, looking for a place to park,

and you searched our dark, ancient library  
for a decent place to study. My wife,  
Mary's, father marched in the first  
"Script Ohio," in 1936. He's here today  
with us, blowing his horn, I can't help

but feel, as is the sweet mother  
I lost last year, the one who gave me  
the stars. Today's music makes us think  
of the debts we owe, and never can repay.  
So many of us would not be here

were it not for the lullabies and songs  
of dear parents, their parents, theirs.  
Some are here today in the flesh.  
Many are not. We mourn them with cadences  
of our hearts. Think how many people

sang before us, gave us a name, a voice,  
taught us the right words. We must  
cherish them by remembering every song.  
When we sing to others, we honor  
our fathers and mothers, thank them

for this day of profound scarlet and gray  
pomp and circumstance. O, come  
let's sing Ohio's praise, And songs  
to Alma Mater raise. Alma mater.  
Ohio State is our sweet, nurturing mother.

We came of age here, with her help.  
Well, Mother, we love you, but, like,  
it's time we moved out, got a place  
of our own. You're standing there,  
Mom, gray hair, eyes scarlet

from crying. We won't forget you.  
Now, even though this ceremony  
means we're being weaned, taken off  
the nipple, let's take care to cherish her  
all our days. Let's remember

the words to the songs she taught us,  
and pass them on. We'll remember  
always, Graduation Day. Summer's heat,  
and winter's cold, The seasons pass,  
the years will roll, Time and change

will surely show How firm thy friendship,  
O-hi-O. We call that little number  
Carmen Ohio. Carmen means song  
in Latin. You've worked hard; she  
is your reward; today is your reward.

You're filled to overflowing with  
the notes, the poems we've written  
together. You know the score.  
Continue to work hard for yourselves,  
and one another. Find the ones who need

you to sing to, for them, in the world.  
Graduates, this joyful litany, this hymn  
our ancestors collaborated on with us,  
the calling of your name today is music  
to our ears. Sing that name proudly

all your days, as if your life depended  
on it. It does, you know. It has been  
an honor for me to speak—and sing—  
to you today. Thank you, graduates,  
and, again, Congratulations.
